All About Me Fortune Teller Directions

1. Choose a partner.
 2. Holding your Fortune Teller, ask your partner to pick a number (3-4-5-6).
 3. Move your hands back and forth so that the Fortune Teller opens and closes the number of times chosen.
 4. Ask your partner to pick a number and to guess the favorite thing about that number. (Example: Your partner picks number 6, so he or she must guess your favorite sport.) Reveal your answer.
 6. Play again, this time allowing your partner a chance to move his or her Fortune Teller as you pick numbers.
 7. Continue taking turns playing until you've each revealed all of your favorites.
- NOTE:
Another idea is to keep going to another person and just share one or two with each person.
